

Job Impact Statement (JIS):

A job impact statement is not required pursuant to subdivision two of section 201-a of the State Administrative Procedure Act because the rule will not have a substantial adverse impact on jobs and employment opportunities, as apparent from its nature and purpose. The proposed rule seeks only to establish the regulatory framework by which counties and the City of New York may solicit the Commission of Correction's approval for the construction, renovation and certification of specialized secure juvenile detention facilities for older youth, as required by recent "Raise the Age" legislation. As such, there will be no impact on jobs and employment opportunities.
